Why train with Alexa?

If you google Laughter Yoga, you will find a lot of information and you will see many people out there doing great work with Laughter Yoga. So how select someone to train with?

Look for a person who has experience with lots of different groups AND who runs a regular social Laughter Yoga club. Find someone who has led many trainings and can share their experiences with you. Seek out someone who will not only train you but who will be there for you when you need follow-up guidance and mentoring. Select someone who is active with their daily laughter practice, who gives back to their community and who leads Laughter Yoga sessions with all types of groups (from kids to older adults, from the corporate world to prisons and with other private and specialty groups). Find someone who remains connected to Laughter Yoga International/Laughter Yoga University, to Laughter Yoga USA.Org and keeps abreast of the latest updates and news in the Laughter Yoga world. Choose to train with someone who's style you admire.

The first step to becoming a Laughter Yoga professional, is by taking the 2-DAY training to become a certified Laughter Yoga Leader (CLYL).

Alexa has trained people from all across the US and Canada. Since 2014, she has led 13 trainings and has certified over 100 students. Many have gone on to start up successful laughter clubs in their communities. Others are just happy to add more laughter to their personal lives. The laughter has helped them cultivate their joy, foster resilience and has helped with health issues, relationships and at work.

Others have used the Laughter Yoga in their work (social workers, teachers, medical professionals, motivational speakers, health coaches, etc.)

Some have also gone on to the next level and have taken the 5-day Laughter Yoga Teacher certification training.

Whatever you choose to do with your newfound knowledge, your new Laughter Yoga skills will give you the power to embrace life in a more positive light, with more playfulness, joy, enthusiasm, emotional intelligence and wisdom. Alexa would love to laugh with you!
